About Us

We are a nonprofit organization that advocates for the value of Architecture and gives architects what they need to do their best work. Our work drives positive change through the power of design. We promote value of membership through targeted programming and engagements

OUR VISION

To be the essential professional organization for all Palm Beach and Broward Counties architects by providing unrivalled services and programs for its members as well as to promote the profession of architecture and the goals of the AIA.

OUR MISSION

We strive to be the voice of our profession and to provide leadership in creating a responsible built environment, to promote the value of architecture to the public through community engagement as well as to provide networking opportunities to all members and communities.

About The Event

AIA Fort Lauderdale and AIA Palm Beach First Annual Soccer Tournament is a family oriented event that will bring design and construction related fields together for a fun day of healthy competition and constant networking!

VENUE & ATTENDEES

The Tournament will take place at the Soccer Town Outdoor fields near Pembroke Pines. The venue will include three 60' x 108' outdoor fields a beverage center for drinks, and food trucks as well as a space for vendors to showcase their products and services.

The Tournament will consist of 12 teams composed of architects, architectural emerging professionals, architectural students, engineers, contractors, and vendors.

EVENT HIGHLIGHTS

During the length of the tournament, all players and sponsors will have the opportunity to network with attendees from Palm Beach and Fort Lauderdale, as well as to reconnect with existing contacts. As a family-oriented event, kids are welcome to enjoy the fields when available as this will be a close door event. After all games are completed, an award ceremony will honor the first, second, and third places as well as the single player with the most goals scored and the best goalie!

Why Sponsor Us

Don't miss out on this great opportunity to market to many other business professionals and community members all over Palm Beach and Broward County

The American Institute of Architects is the country's largest professional association of design professionals, as a not-for-profit organization, the money for this program goes towards the tournament expenses as well as to help fund scholarships for local talent.

With your help, we can make this event a reality while exposing your organization to a wide range of professional. Join us in helping the community. See below for some of the benefits included within this opportunity.

THE BENEFITS

We all know that 2020 was a hard year of isolation for every one, but as we are now able to come together again, soccer can allow us to reconnect while having fun. Therefore, it is safe to say that this event will easily bring the design and construction community together again for a fun day of soccer games! Your organization will have the unique opportunity to show your support to the design and construction professionals from Palm Beach and Fort Lauderdale while enjoying a fun day of healthy soccer competition.

Brand awareness & Media exposure

Be ready to see your brand, product, and services exposed to the Fort Lauderdale and Palm Beach design and construction community. Our goal is to see your brand, product or services be exposed to multiple generations. This is a brand new event that will bring diverse demographics together!

Direct promotion of your products and services

Count on directly talking and mingling with design and construction professionals. Who better than you to directly explain the benefits of using and supporting your products, services, or even ideas?

Reconnect with the design & construction community

Be prepared to be reconnected with a wide variety of architects, design professionals, engineers, and contractors. As some may agree, soccer connects. Help us help you to create a much deeper connection to your brand, products, and services.
